

LIVE BRIEF 2020/21

REGISTRATION
DEADLINE
31/01/21

ESSENTIAL INFORMATION

Creative & Cultural Skills and The National Festival of Making release industry-led student challenge designed to support students' skills development across the combination of creative and business skills needed to thrive as a professional, whether freelance or employed.

Students are invited to consider what they would like to contribute to The National Festival of Making programme by proposing an imaginative piece of work that will engage the Festival's multi generational and diverse audiences.

Prizes include mentoring and financial support from the festival team to see the winning idea realised at The National Festival of Making, as well as online masterclasses delivered by the Festival Directors and Team.

Who is eligible to apply?

Registered students in post 16 education from any creative or non-creative course and who are currently studying at level 3 or level 4 (level 6 or 7 in Scotland).

When is the application deadline?

Mon 16th March 2021

Register on or before Sun 31st January 2021 to participate in the Online Briefing for Tutors.
